OPTIONAL ACCESSORIES

For overlock and coverstitch machines

Overlockers and coverstitchers are essential for achieving neat finishes.

These machines do not only offer you perfect finishes, but also offer the possibility of working with stretch materials much more easily than with a conventional sewing machine. The extensive collection of optional accessories for our overlock and coverstitch machines will allow you to discover all the possibilities that these specialized sewing machines offer.

Hems, the gathers and laying bias will have no secrets for you!

Accessories in this category are compatible with the following models:
