computerized sewing machines

STRESS-FREE SEWING

The elna eXperience are computerized sewing machines offering automated functions and settings, as well as smart features to simplify your sewing tasks:

- easy operation with direct access buttons to key functions and stitches
- jam-proof horizontal rotary hook with top-loading bobbin and guide
- time-saving built-in needle threader
- automatic lock stitch to secure seams
- automatic thread cutter (560 & 570α)

SWISS DESIGN

With their original design, our 530, 550, 560 and 570α models make a striking visual statement. They feature clever solutions, ensuring perfect sewing comfort for multiple applications:

- glide-in stitch reference chart for easy access and storage
- LCD screen with simple navigation
- brighter and shadow-free LED lighting
- free arm configuration for tubular items
- extra-large extension table *

DECORATE WITH STITCHES

We selected a range of functional and decorative stitches and delightful effects that will beautify your creations. You have the choice depending on the model:

- 30, 50, 100 or 200 stitch patterns, all in 7 mm width
- 3, 7 or 12 styles of automatic one-step buttonholes
- alphabet and memory function on 570α to create and save individual stitch combinations, including text
